Richard Coleman · Warehouse · logged 2026-05-05 15:07

Inventoried CFCI equipment. (97) 18" ladder rack with 9" rung span. Also, verified (74) cabinets at warehouse with (6) still in tent at site.

Caleb Bourghs · WAREHOUSE, NCB · logged 2026-05-01 20:20

Went through all material at Warehouse. Verify all material through OOR, receivables, and ACC website. Verified all 554 tWo post racks were fully up to specs and in good condition. Created all templates for our L1 connectivity materialL

Perry brocato · logged 2026-05-01 14:51

We were at the warehouse and we counted and inspected 554 2 post, 12 4 post and 11 VCM.
